- ~~LMRFD is attorney Bill Whittington's cash cow.~~

~~This needs to STOP.~~

~~LMRFD would finally have to provide all LEGAL bills and we'd see how much of the tax payer money was moved to attorney Bill Whittington.~~

According to the LMRFD accountant Gabe, LMRFD spent many times more on legal fees than other districts the same size. WHY????? I'm guessing that it's at least in part due to DeMaio's and the Jacksons' incompetence. Attorney Bill Whittington's competence has also been questioned, I believe at the July board meeting. We'll KNOW once we see the legal bills.

In case you're wondering why I care so much
about LMRFD:

- **People DIE because of this "conspiracy" to divert the tax payers' funds from LMRFD to the incompetent Jacksons.**
- In 2010 the Meadview fire district became insolvent due to mismanagement by the chief and the board and it consolidated with the Dolan Springs LMRFD.
- In 2013 LMRFD was insolvent.
- In 2016 LMRFD finally was solvent again and a new board was elected. Sadly, they rarely have a board meeting without executive session and there are NO efforts whatsoever to finally bring healthcare to our underserved rural communities.

I spent over 8 hours last Saturday researching how MORE COMPETENT fire chiefs and boards bring healthcare to their communities:

<https://forum.highdesertdirt.com/mohave/arizona-community-paramedicine/>

Sadly, chief DeMaio and the Jacksons could not care less about the people who live and die here. After all, THEY live in Golden Valley!

- The Meadview station is staffed with only ONE guy "most" days, some days the station is closed and ONE guy can NOT transport patients.
- **At just about every meeting the LMRFD board talks about annexation.**

I will NEVER support annexation to this dysfunctional
~~LMRFD fire district.~~

~~This afternoon a friend called and I told her that I'm wasting
my Saturday on this LMRFD BS instead of getting our

~~She told me that she voted NO to the proposed LMRFD tax
increase last year — because I had recommended to vote
NO. The tax increase was voted DOWN. I didn't even
oppose the tax increase on my websites since I'm not in the
district, I only explained it to a few friends.~~

~~**I'm quite certain that I can prevent annexation as long as
I'm allowed to publish the TRUTH about LMRFD.**~~

I can see only ONE reason for this petition for
an injunction for harassment:

The intent is to keep the residents from discovering how
chairwoman Cass, chief DeMaio and the Jacksons are destroying
LMRFD.

~~There ought to be a CRIMINAL investigation
and the incompetents / conspirators should be
sentenced to pay at least triple damages to
LMRFD.~~

~~I know nothing about the laws that pertain to defrauding a fire
district, misuse of tax payer funds, whatever you want to call it. At
least some jail time seems appropriate to me. After all, it's not just~~

the money (which is bad in itself), but their misconduct quite likely resulted in deaths as LMRFD is DYSFUNCTIONAL.

I'll try to file my complaint for the countless LMRFD Open Meeting Law violations on time to submit at the hearing for the petition for an injunction.

The Jacksons and DeMaio's misconduct must become public record for the benefit of future employers.

NO fire district should ever hire them again without knowing all about these issues and especially this petition for an injunction.

If some company wants to put up with their incompetence, that's their choice. But the residents pay the tax to fire districts to be safe, not to get ripped off by incompetent employees and contractors.

Several people have asked me why DeMaio was fired from the Golden Valley fire district.

I did not know that he was fired, nor do I know that it's true. I hope to find out why he quit / was fired and why Karen Jackson followed him to LMRFD. Unfortunately I only have the option to subpoena records if they sue me.

As always, if you have info, please do let me know. You can submit a comment here with a FALSE name and email and even if a court orders me to reveal my sources your identity will remain secret.

If you know something, say something!

My request for the Kingman Miner to look into LMRFD, submitted at the Miner contact form:

I'd like to see an article about LMRFD administrative assistant Karen Jackson filing a petition for an injunction to prevent me from publishing the truth about this dysfunctional fire district.

The documents are posted:

<https://highdesertdirt.com/blog/2018/09/08/lmrfd-administrative-assistant-karen-jackson-petitioned-for-injunction-for-harassment/>

Jackson is NOT the only incompetent LMRFD employee, as chief Anthony DeMaio refused to fire her and chairwoman Deb Cass voted NO when two of our board members FINALLY demanded that Jackson show up for work.

Please note that at the last board meeting it was discussed that chairwoman Cass incurred about \$800 in LMRFD legal fees for consulting on filing a lawsuit against director Charlotte Kiffer, who is the hardest working member on the board. Notably, the incompetent administrative assistant Karen Jackson OMITTED this most important disclosure from the meeting minutes. Incompetence? Or a "conspiracy" to keep the minutes "clean?"

Not to mention that chief DeMaio also funneled fire district funds to Jackson's husband to fix the LMRFD.org website — which is of course NOT fixed.

I've been posting for months that something weird is going on between DeMaio and the Jacksons, is it black mail or what?

Considering the CONSTANT trouble the Mohave County fire districts are in I hope you'll look into this matter.

OUR LIVES ARE AT STAKE!

Thank you,

Christine Baker

Christine

You owe the residents of Meadview and surrounding area an apology for your description of us. Calling your neighbor degrading names will not help Ellen get elected or your crusade against the fire district.

I expect the open and honest apology as soon as possible.

I'm also not clear on what I should apologize for, Randy. I'm sure you're capable of copying / pasting any offensive comments, right?
